

# OKI® Executive Series™ 3037/3037dxn/3037e

## Tabloid/A3 Digital Color Printers

### Wide-Format, High-Volume Color and Mono Printing

**Enormous paper capacity:**  
All three OKI® ES 3037 models start out with a 650-sheet paper capacity—and upgrade with options to a whopping 2,850 sheets! That means more printing time with fewer interventions.

#### OKI Executive Series™ 3037 Model Highlights:

- Single Pass Color™ Digital technology for printing on media up to 110 lb. index
- Color output up to 30 ppm, Mono at up to 37 ppm<sup>1</sup>
- High-capacity, 2-piece consumables for low Total Cost of Ownership
- Tabloid-extra/A3 (12" x 18") format; prints on banner sheets up to 12.9" wide by 47.24"
- Up to 1200 x 1200 dpi resolution
- Up to 600 MHz PowerPC processor
- Up to 320 MB RAM standard; both models upgradable to 1,024 MB
- Holds up to 2,850 sheets with options
- Web-based printer management utility standard
- Direct PDF Printing – print .pdf files without Adobe® Acrobat® or Acrobat Reader<sup>2,3</sup>
- MonacoEZmatch™ color management software standard with ES 3037e to ensure accurate and consistent color
- Options include 2-sided printing capability<sup>3</sup>, 10 GB hard disk drive<sup>3</sup>, 2nd and 3rd paper trays, high-capacity feeder, finisher/stapler, and Job Accounting utility
- 1-Year On-Site limited warranty,<sup>4</sup> parts and labor; 5-Year limited warranty on LED printheads

<sup>1</sup> Letter-size sheets. Published performance results based on laboratory testing. Individual results may vary.

<sup>2</sup> Requires hard disk drive (standard on ES 3037dxn/3037e).

<sup>3</sup> Standard on ES 3037dxn/3037e.

<sup>4</sup> Available in the U.S. and Canada only.

**OKI® Executive Series™: Digital color matching printers with superlative tabloid-size color printing capabilities, designed for maximum productivity and cost efficiency for color and monochrome printing needs.**

**High-quality, tabloid-extra (12" x 18") color and monochrome output—right in your workspace.** Until now, color added high cost as well as dramatic impact to your documents. OKI® Executive Series™ Digital Color printers can lower your expenses and increase your productivity.

These wide-format color printers are the efficient and affordable answer, especially if presentations, ad layouts, spreadsheets, large photos and illustrations, signs, posters or banners are part of your business.

**Commercial printshop performance at desktop printer prices.** No more running down to the corporate or neighborhood copy center every time you need tabloid-size color documents—or postcard-size or any size up to 12.9" by 47.24" banners! You can print them in-house. The OKI ES 3037e comes with MonacoEZmatch™ color management software to ensure output that's accurate and consistent.

OKI Single Pass Color™ Digital technology and long-lasting, individually replaceable OKI toner cartridges and image drums mean fewer interventions—i.e. more productivity—

and a lower cost per printed page than color laser printers, solid ink or inkjet printers and, especially, outside copy services.

Further, the cost of a black-and-white page is comparable to that of most mono laser printers—so you can use the Executive Series color printers to handle all of your business printing needs.

**Connectivity and more.** ES 3037 Model printers come with both bi-directional parallel and USB interfaces, and can be connected to the network—PC- or Mac®-based—via a standard OkiLAN® 6200e+ 10/100 Base-T internal print server card.

When it comes to handling huge graphic files, both models come with generous standard RAM and are upgradable to a whopping 1 GB. The ES 3037dxn and ES 3037e also ship with a 10 GB hard disk drive and standard duplex (optional on the ES 3037).

All OKI ES 3037 Model printers support optional OKI Job Accounting software, which provides a precise count of color and mono pages, the types and quantities of paper used, and a record of printing activity by department.

**Designed to Perform in the Most Demanding Environments.**

**PROVEN.**

**OKI®**

### Additional Specifications

#### Performance

- **Print Speed:** Up to 30 ppm Color, up to 37 ppm Mono<sup>1</sup>
- **Time to First Page:** Up to 1.5 sec. Color, up to 10 sec. Mono<sup>1</sup>
- **Reliability:** Up to 150,000 pg./mo. duty cycle

#### Productivity Utilities

- **Color Management Utility:** Standard on ES 3037e only.
- **Job Accounting Utility:** Optional (requires hard disk drive for optimal performance<sup>2</sup>)
- **Web-based Management Utilities:** PrintSuperVision and OkiLAN™ 6200e+ embedded Web server (with network card)

#### Color Controls

- **Color Management:** MonacoEZmatch™ for OKI<sup>3</sup>, Automatic OKI Color Matching, PostScript® CRD, Windows® ICM, Input/output ICC Profiles. Also supports color management systems that utilize ICC profiles (Apple® ColorSync®, Microsoft ICM, Adobe® applications, QuarkXPress™, CorelDRAW™)
- **Ink Simulations:** SWOP®, Euroscale and others
- **Color Matching Modes:** sRGB, Monitor Simulations, Digital Camera

#### Compatibility

- **Emulations:** PCL® 5c, PCL 6, Adobe® PostScript™ 3™ standard; Direct PDF Printing<sup>2,4</sup>
- **Operating Systems:** Stand-alone and network—Windows® XP, Me, 2000, 98, 95, NT® 4.0; Mac® 8.6–9.x, OS X.1

#### Memory

- **Maximum RAM:** 1,024 MB
- **Flash Memory:** 4 MB standard

#### Interfacing

- **Connectivity:** IEEE-1284 bi-directional parallel; USB v1.1 (on Mac, requires OS 9.x or higher); Auto interface switching
- **Network I/F:** OkiLAN™ 6200e+ (10/100 Base-T) Internal Ethernet Print Server
